HP G56-110EA Notebook PC

Windows®. Life without Walls™. HP recommends Windows 7.

- **A perfect balance of technology and appearance, designed with you in mind.**
  The HP G56 Notebook PC leads the trend of consumer notebooks. With its outstanding next-generation industrial design, it's environmentally conscious and easy to maintain – so it not only looks good, it'll make you feel good, too.
- **Next-generation architecture for new levels of performance and multi-tasking.**
  This notebook offers full PC functionality, power and performance, so you can get everyday tasks done quickly and easily. Enjoy fun, freedom and productivity while you work, explore the web, watch films or keep in touch with friends.
- **Only pay for what you need, nothing you don't.**
  Why inflate what you pay with unnecessary add-ons, when you don't really need them? This notebook offers the best value and all the latest technology for what you need to do every day – perfect for students, families or small to medium businesses.
- **It's easy to do more and stay connected if you have the right notebook.**
  Stay connected with family and friends with Wi-Fi and an integrated webcam. This notebook gives high-definition viewing on a 39.6 cm (15.6") screen – and of course you can manage and share your photos and videos, too.
- **Reliability and security for your digital world, out of the box.**
  Enjoy reliability and enhanced security for your digital world, out of the box, including anti-virus software. You can rely on trusted and proved technology from HP, your trusted partner.

A perfect balance of technology and appearance, this notebook makes it easy to do more and stay connected. This is the first choice for a worry-free PC experience, at a price you can afford.
